

This Cookie Policy on the use of cookie files on the website <https://esc.group>, the owner and administrator of which is LLC "ESC", TIN 9701082150, address: 105082, Moscow, Spartakovskaya Square, 14, Building 4, Room 1 (hereinafter referred to as the "Company"), is applied in addition to the Privacy Policy of LLC "ESC".

Cookies are used by our Company to the extent necessary to improve the functioning and optimization of the website. ESC LLC does not share cookie information with third parties, nor does it disclose it or exchange it with others outside of ESC LLC.

Your acceptance of the cookie terms and conditions on our website <https://esc.group> or closing the pop-up notice in accordance with the Policy shall be deemed to be your consent to the processing of such cookies on the Company's website.

This policy describes the types and names of cookies that our site collects, the purposes for which they are used, how long they are stored, and how you can decline them.

What is a cookie and what types of cookies do we use?

A cookie is a small file, usually made up of letters and numbers. This file is stored on your computer, tablet, phone or other device that you use to visit the Site.

We may use the following types of cookies on the Site:

Cookie type	Description
Mandatory (strictly necessary)	These cookies are necessary for the site to function and allow you, for example, to fill out feedback forms. They do not collect any personal information about you and are usually deleted when you close your browser.
Functional	These cookies serve to recognize you when you return to the Site. They allow us to personalize the content of the Site for users. If a user blocks this type of cookie, it may affect the performance and functionality of our Site and may limit your access to content.
Analytical	These cookies allow us to track website traffic, i.e. to collect information about how you use the website: which pages you visit more often than others, where you have problems with which services, etc. This information is collected anonymously and is not linked to you. This information is not linked to any specific user and is collected anonymously.

What is the purpose of collecting and using information in cookies?

We may use cookies for the following purposes:

- to process your product orders;
- to analyze information about your site visits to improve our site;
- to provide you with posts and content we create on this site and other sites that are relevant to your interests;
- help you get the information you need;
- determine the number of users and how they use our site - to improve the effectiveness of the site and to best understand the interests of their referrals.

The types of cookies used on the Site and their duration.

Our website uses its own cookies created in the esc.group domain. These include technical cookies PHPSESSID (a basic temporary cookie that stores a unique session ID), tl-agreement (a cookie that stores information that the user has agreed to the use of a cookie), and the following cookies with a specific retention period:

We use the web analytics service "Yandex.Metrics" provided by Yandex LLC (INN 7736207543, address: 16, Lev Tolstogo St., Moscow, 119021). The information collected through analytics cookies does not reveal the identity of the user, but may help improve the performance of the Site. Information about the use of the Site collected by cookies is transferred to Yandex for processing in order to track general trends in the use of the Site and stored on Yandex's own servers (the storage period of some cookies is up to 1 year). Yandex processes this information to evaluate the use of the Site, to compile reports on the performance of the Site and to provide other services. Yandex processes this information in the manner specified in the Terms of Use of the Yandex.Metrica service.

used by third party sites linked to our site.
Set your browser to manage cookies.**

Most Internet browsers are initially set to automatically accept cookies. You can change your settings to block cookies or to alert the user when this type of cookie is sent to your device. Please refer to the instructions of the specific browser you are using to learn how to adjust or change its cookie settings (links to the instructions of the most common browsers are provided below for your convenience).

If you disable the cookies we use, your experience on our site may be affected. You may not be able to get the information you need when you visit the site. If you use different devices to view and access our site (e.g., computer, smartphone, tablet, etc.), you should make sure that each browser on each device is set to handle cookies in the way that you prefer.
